ADJECTIVE ALPHABET

TEACHER GUIDE

Ages 7 - 9, 10 - 12

MISC:

It's time for an adjective hunt! This activity will get your student thinking about adjectives for all letters of the alphabet in and around your outdoor space.

Simply provide your students with the activity sheet and let them walk around your outdoor or indoor space and think of adjectives for each letter of the alphabet to describe items they can see.

This activity is great to be used as an extension challenge for your early finishers.
