

ALPHABET JOURNEY ChaLLenge

TEACHER GUIDE

LITERACY: ALPHABET, MISC
AGES: 4 - 6, 7 - 9, 10 - 12

This is a great literacy game to send home with your children that is easy to prepare. Each child must go on a journey to try and find things that they can see, smell and touch for each letter of the alphabet.

Depending on ability, you may want to get your children to write, draw, or both write and draw the answers. Their journeys can be anything from their trip to school to a walk up a mountain! There are loads of fun challenges you can set with this activity.

Draw or write things you can see, hear, and smell starting with each letter of the alphabet.
