

**A DAY IN THE
LIFE OF A
BUG**

INSTRUCTIONS:

Your task is to write a diary entry as if you are your chosen bug. Imagine you are tucked up ready for bed after a very eventful day. Try to use some of the information that you have researched to help you think about what might have happened. This is a fiction piece of writing so be creative and have fun!

Questions for thought:

Did you have to hunt your lunch?

Did something nearly catch you?

Did you come into contact with any terrifying humans?

Did you meet any of your friends?
