

OUTDOOR MINDSET SCAVENGER HUNT

TEACHER GUIDE

AGES: 7 - 9, 10 - 12
Outdoor Learning: Misc.

This scavenger hunt encourages students to look at the amazing world around them while looking out for things that make them or others feel certain emotions. It's a very uplifting activity that's perfect for a brain break or as part of your mindset topic.

They will walk around the outdoor area and complete the scavenger hunt by drawing, writing, or collecting items to match each of the sentences.
