

My Moon Diary

Name: _____

Month: _____

Starting at the beginning of the month, each evening go outside and shade in the amount of the moon that you cannot see so the white part is left looks like what you can see. Do this for the entire month and see what you notice.

1	2	3	4	5
6	7	8	9	10
11	12	13	14	15
16	17	18	19	20
21	22	23	24	25
26	27	28	29	30
31				

I noticed that: _____
