

MUD CREATURES

Teacher's Guide

Character Descriptions: Ages 4 - 6

Get muddy with this fun activity where your class will create their very own mud creatures.

Explain to your class that they will be creating a character using mud and other natural materials. You can either let them create whatever they like or get them to create a character from a book they've recently read.

Once they've created their character they'll either take a picture or draw it on the sheets and complete the blanks to describe their character.

Extension: Get them to draw or tell a story involving the character they created.

MUD CREATURES Grab some mud (or make some by adding water to soil) and create your very own mud creature or character from a story. Draw your creature or take a picture and stick it in the box below.

Picture / drawing

My character / create has...	Word Box
_____ eyes.	Big
_____ teeth.	Small
_____ body.	Sharp
_____ feet.	Fluffy
_____ fur.	Rough
	Hairy
	Scary
