## Activity Description

Liven up your spelling list homework with this fun outdoor spelling activity sheet. Simply get the children to write down their spelling lists and take the activity sheet home to complete the challenges. The activities require very few resources and should be done easily at home or in a local outdoor area.

## Activity Plan

This resource is design for home learning to help students practice their spelling lists in a fun and exciting way. It's great for encouraging those who are often reluctant with home learning.
