

# PERSONIFICATION PLAY

**TEACHER GUIDE**  
Literacy: Personification  
Ages 7 - 9, 10 - 12

Encourage creativity and descriptive writing with this fun personification activity. Nature is a wonderful resource to aid descriptive writing especially when looking at personification. This activity gives students the chance to experiment with personification while exploring the nature around them.

For this activity student will go outside to find and complete the table by finding something they'd like to describe before writing a personification sentence about their chosen item.

This lesson works really well when the students are working in pairs as it gives support to those students that need it.

**PERSONIFICATION PLAY**  Name: \_\_\_\_\_  
Personification Activity Sheet

Personification is when you give human qualities to something that isn't human.

Complete the table below by finding items outside and writing a personification sentence about each one.
