

## Natural Symmetry Task Cards - Symmetry Art

Make a pattern using natural materials with one vertical line of symmetry.

Tip: You could use a stick or draw a line to show the line of symmetry.

## Natural Symmetry Task Cards - Bug Creator

Create an animal with one line of symmetry using the natural resources you can find.

Ideas: spider, butterfly, an animals face, bird.

## Natural Symmetry Task Cards Symmetry Master

Number Of Players: 2

Preparation:

Make a line on the ground  
Collect natural resources (leaves, twigs, stones)

Instructions:

Put objects on one side of the line.

The other player must then put objects on the other sections to make it symmetrical.

Once you both agree it's symmetrical, swap roles and start again.
