## Subtraction Game

Name: \_\_\_\_\_

For this investigation you are going to use subtraction to find out whether you are better at doing certain tasks first time or second time around. Complete each of the following tasks twice, finding the difference between your results to see if you were better first time or second. Remember, when doing column subtraction the biggest score must always go on top. Work each score out to two decimal places.

**Activity:** Breath holding - Time how long you can hold your breath for.
